### **Our Mission**

The mission of AcadeMir Charter School East is to provide students with a well-rounded elementary-school education, through a challenging program, focused on mathematics and science using innovative, reform-based instructional methods in a stimulating and nurturing environment that fosters maximum student achievement.

### **Our Purpose**

The purpose of AcadeMir Charter School East is to prepare students to reach their maximum potential in all subjects with special emphasis on Science, Technology, Engineering, Mathematics (STEM) and Reading using research based proven exemplary curricula and enhancement programs. The school program incorporates critical thinking, communication, collaboration, creativity, and technological literacy in order to prepare students for post- secondary studies and career demands of the 21<sup>st</sup> Century.

### **Vision**

The vision for AcadeMir Charter School East is to provide students with a challenging and rigorous curriculum enabling students to be well prepared for higher education and life through adherence to an unwavering mission, shared purpose, and clearly articulated goals. Students will experience a cross curricula instructional approach in Math, Science and Reading/Language Arts. Our program allows for scientific exploration and mathematical application along with technology integration through real world connections: by incorporating critical thinking, communication, collaboration, creativity and technological literacy that goes far beyond the basic knowledge to meet the challenges of the 21 century global economy. Our goal is to develop students into critical thinkers, and problem solvers by providing them with hands-on learning experiences that will enable all students to achieve academic success and become lifelong learners.

### **Educational Philosophy**

AcadeMir Charter School East philosophy is to fully prepare students to carry the torch of knowledge through its proven curricula, as well as the freedom and prosperity that is passed from generation to generation in this great country. Encouraging the use of innovative learning methods is a vital part of providing an educational program that truly meets the needs of all children. All learners possess areas of strength and areas of weakness and therefore, they express and receive knowledge in many ways. Effective teachers understand the need to differentiate instruction for all students in order for learning to occur. Understanding a student's area of intelligence, learning style, and/or learning preference is one way teachers can positively impact a student's ability to learn. The role of the teacher is to observe what their students are doing, figure out why they are doing it that way, and to give them the right kind and amount of information and feedback so they may solidify their learning and perform what they have been taught. Students must be able to make sense of what is taught if they are going to apply their learning in other situations.

Conferences with individual teachers can be arranged by contacting the teacher via email or leaving a phone message. A response should be expected within 24 hours. Conferences can be scheduled before school, after school or during a teacher's planning time. Conferences with teachers during arrival, dismissal or classroom instruction may impede the teacher's ability to effectively supervise his/her students. Always attempt to resolve any school based concerns/conflicts with your child's teacher first. If you are unable to resolve issues or conflicts with your child's teacher you may contact the main office to schedule an appointment with the school administration.

### **Please notify us immediately if:**

1. Your address or contact information has changed

Students may only be released from school to the persons listed on the emergency contact card after presenting picture identification. If at any time your information changes please visit the main office to update your information. No person, other than school staff, will have access to the information submitted. An accident report will be completed and filed for everyday accident. You are requested to notify the office of any accident or injury, your child has had before returning to school. Please notify the office of any accident or injury going from school, or during school hours if you have not been informed by his/her teacher. ## Birthday Celebrations

Birthday parties are **NOT** allowed, due to high allergies food, cake, cupcakes and candies are not permitted. In addition, in an effort to maximize academic instructional time non-academic interruptions are limited. However, classroom teachers will acknowledge a child's birthday and celebrate the birthday without impacting instruction.

## Medication

Miami-Dade County School Board policy prohibits school personnel from administering any prescribed medication without parental consent and a medication authorization form signed by the child's physician and parent(s).

Students may not keep medication in their book bags. Teachers are not authorized to administer medication in the classroom. All medication must be administered in the office by trained personnel and only after an *Authorization for Medication Form MDCPS (FM 2702E)* has been submitted. This form is available in the main office and must be kept in the medication binder and will be located in student cumulative records. This form must be filled out by the pediatrician or family doctor.

Medication must be brought to school in the original container with a label that clearly displays the following information: the child's name; dosage; name of the drug; physician's name; and the name and phone number of the pharmacy that filled the prescription.

## Emergency Evacuation

Your child's safety is one of our major concerns; therefore we need to be prepared for the unexpected. We hold monthly fire drills and conduct monthly emergency lockdown and evacuation drills to help prepare students and staff for any emergency that may arise. Under extreme circumstances we would need to evacuate the building. Depending on the situation, the local police will determine the location. **Under no circumstances will parents be allowed to pick up their child at school during an evacuation period.** Our goal is to evacuate the entire building safely. Please wait patiently for a phone call from our office staff telling you the location and procedures for picking up your child. The media is always helpful with disseminating information regarding evacuations and procedures as well. **Students will only be released to the people identified on the emergency contact form. Please bring proper identification (a picture ID) when picking up your child. Please keep in mind, if your it is important to notify the office immediately when there is a change in home/cell phone numbers.**

### **School Closings and Delays:**

AcadeMir Charter School East will follow the lead of Miami Dade County Public Schools. When the sponsoring district closes, AcadeMir Charter School East closes. When the sponsoring district re-opens, AcadeMir Charter School East re-opens. As with inclement weather, community incidents may require us to cancel classes, open schools late or close them early. In such a situation, the following plan goes into effect. Please listen to the media for information on the closing and re-opening of AcadeMir Charter School East during a hurricane.

- The school's Threat Assessment Team will monitor and manage the situation.
- The school's website will post the announcement, of the closing, delay or early dismissal.
- We will notify media outlets, post on social media and send SchoolMessenger audio voice mail and Remind messages to parents.

- If classes are canceled or dismissed early, all athletic and extracurricular events at the school will be canceled.
- Before/After-school programs will operate from an early dismissal to the regular closing time. Neither athletic and/or extracurricular events before/after-school programs will operate if the school is closed.

## Grading and Reporting of Student Progress

AcadeMir Charter School East believes that parents must be informed regularly regarding their child's performance at school. Parents can become a school's greatest ally in helping to insure academic success for students. Grades can be accessed through the parent portal at [www.dadeschools.net](http://www.dadeschools.net).

**Academic Grades:** Academic grades are to reflect the student's academic progress. The grade must provide for both students and parents a clear indication of each student's academic performance as compared with norms that would be appropriate for the grade or subject.

## Conduct Grades

Conduct grades are to be used to communicate clearly to both students and their parents the teacher's evaluation of a student's behavior and citizenship development. These grades are independent of academic and effort grades. The conduct grade must be consistent with the student's overall behavior in class and should not be based on a single criterion. The conduct grading system is as follows:

### First – Fifth Grade Codes and Descriptions

Conduct Academic grades	Conduct Grades Descriptions
A	Reflects excellent behavior on the part of the student. The student consistently demonstrates outstanding behavior consistent with classroom, school, and district standards.
B	Reflects consistently good behavior. The student meets established standards for student conduct.
C	Reflects satisfactory behavior. The student's overall behavior is generally acceptable according to established standards of conduct.
D	Shows that improvement is needed in the student's overall behavior. The student does not consistently demonstrate behavior which is acceptable.
F	Reflects unsatisfactory behavior overall. The student regularly violates established classroom, school, or district standards of behavior.

## Effort Grades

Effort grades are utilized to convey both to students and their parents the teacher's evaluation of a student's effort as related to the instructional program. These grades are independent of academic and conduct grades. In assigning an effort grade, the teacher must consider the student's potential, study habits, and attitude.

**Grades 1-5: Three numerical grades are used to reflect effort in grades 1-5.**

Effort Grades	Effort Grades Descriptions
1	Indicates outstanding effort on the part of the student. The student will, when necessary, complete a task again in order to improve the results. The student consistently attends to assigned tasks until completed and generally exerts maximum effort on all tasks. The student consistently works to the best of his/her ability.
2	Indicates satisfactory effort on the part of the student. All work is approached with an appropriate degree of seriousness. The student usually finishes assignments on time and usually stays on task. The student usually works at a level commensurate with his/her ability.
3	Reflects insufficient effort on the part of the student. Little attention is paid to completing assignments well and/or on time or to completing them in a manner commensurate with the student's ability.

## Home Learning

Home Learning Assignments are a very important part of learning. Developing the habit of nightly study requires parental help and guidance. This is another way to reinforce what was learned in the classroom and a means of allowing the parents to be a part of our curriculum goals.

Teachers use the following time schedule as a guide when assigning home learning:

Grade K:	30 minutes
Grade 1:	30 minutes
Grade 2:	45 minutes
Grade 3:	45 minutes
Grade 4:	60 minutes
Grade 5:	60 minutes

All grades are required to complete 45 minutes weekly computer based instructional practice in iReady (Reading) and 45 minutes of iReady (Math).

These times are a guide and are based on the average child's ability and concentration. Some home learning assignments may take less time and others may take a little more time. A child who does not complete class work in class may have to complete class work in addition to home learning.

Home learning is posted weekly by teachers via the teacher's website which can be found under the school's website.

## Field Trips

As a learning experience, planned field trips may be scheduled throughout the school year. Parents may be asked to assist the teacher as chaperones. Chaperones may not have other children accompany them. Parents who are officially selected to be chaperones may count their hours on the field trip as volunteer hours. Please note that all chaperones will need to be cleared through *CONCIERGEpad*. If you have not been cleared through MDCPS and wish to attend school functions, please follow the ACSE School Volunteer Registration Program procedures as soon as possible. **All parent chaperones must have a background checked and cleared through the *CONCIERGEpad* prior to the field trip.** Participation in field trips is a privilege. Students serve as representatives of the school; therefore, they may be excluded from participation in any trip. Written parental permission and fee prior to the field trip, or the student will not be permitted to take part in the field trip. Students not paying by the designated deadline will not be permitted to attend the field trip. Students not wearing Academir Charter School East uniform will be required to remain at school. All field trip applications must be fully completed.

## Service Hours

Parents have many opportunities to volunteer their time at school. Volunteer sign-ups will be available throughout the school year. **Parents are required to volunteer a minimum of 10 service hours per family each school year.** If you have more than one child enrolled in the school, you need to divide the 10 hours per child and volunteer to each child's class equally.

Due to mandates from Miami-Dade County Public Schools, **all volunteers must obtain clearance through the school in accordance to the Jessica Lunsford Act (HB 1877) which requires that volunteers meet a Level 1 and/or overnight Level 2 clearance. ACSW will utilize Volunteer Clearance Level 1 and Level 2 clearance through the School Volunteer Registration Program and must be cleared through *CONCIERGEpad* to before permission to volunteer is granted.** Parents can obtain clearance by visiting [academircharterschooleast.com](http://academircharterschooleast.com) and clicking on the Parent Tab and selecting "Become a School Volunteer." Fill out and submit a registration form. A seven dollar processing fee will apply. Once you receive email confirmation please bring this form to the main office to receive approval confirmation of your clearance.

Most parents/guardians are busy; therefore, please find below a list that details a variety of ways in which volunteer hours can be completed.

1. Assist in Book Fair
2. Assist with picture days
3. Assist with school wide events and/or performances
4. Assist teachers with special projects or in class support
5. Chaperone on a school fieldtrip
6. Participate in Parent/Teacher Data Chats or Meetings

This volunteer requirement must be completed by the last day of school two weeks prior to the end of the school year (5 hours before winter recess and the remainder two weeks before school ends). A final reminder of non-compliance will be sent home.

## Visitors

Visitors, including parents are **NOT** permitted to go to their child's classroom unannounced during school hours because this disrupts normal routine and instruction. For the safety and security of our students, it is imperative that **ALL** visitors check-in the Main Office with a valid form of identification. If you wish to volunteer at the school you must register on the School's Volunteer Registration Program portal and be cleared by through the **CONCIERGEpad**. Parents/visitors must sign in and out, state whom they are visiting, state the purpose of the visit, and obtain an ID badge before proceeding to a classroom or anywhere in the building. All volunteers must wear their school issued or purchased volunteer shirt. Your Cooperation will enable the school to provide a safe and orderly learning environment for all students.

## Returned Checks

Parents who submit a returned check to AcadeMir Charter School East will be charged a \$30.00 returned check fee. Payment for the returned check and the \$30.00 fee must be made within 7 days of notification from the school. **After one returned check to the school, a family may not pay by check for anything.** Students whose families do not submit payment in a timely manner for returned checks will lose privileges to field trips and special events.

## Text Books

All textbooks needed by students for school and homework assignments are furnished by the school. The school is also able to provide the materials and equipment requested by teachers for classroom instruction, as well as online access to books. Books must not be written in or on. **Charges will be made for damaged or lost books and/or materials.**

## Lost and Found

Each year many articles of clothing are lost and remain unclaimed. When these items are turned in they are placed in the Lost and Found area in the school. Please place *your child's name* on everything he/she brings to school. This will minimize the amount of items in our Lost and Found. All items are placed in the cafeteria and students are given an opportunity to look through and claim their own articles. Items that are not claimed by the end of every month will be donated to Goodwill.
