Student Enrollment Process

Being a school of choice, AcadeMir Preparatory Academy (APA) will offer academic programs that will target those students and parents interested in a deep and creative middle school education experience. APA will follow federal and state anti-discriminatory laws. The school commits to the non-discrimination based on race, ethnicity, national origin, gender, or disability for any student during the school admission process. Students who are identified as needing ESE or ELL services will have an equal opportunity of being selected for enrollment in the school. Any eligible student, as described in F.S. 1002.33 (10), who applies within the time frame and whose parents accept the condition of the Parental Involvement Contract shall be considered unless the number of applications exceeds the capacity of the program, class grade level, or building capacity. If the number of applicants is less than the established capacity, supplemental registration periods may take place to reach student capacity.

AcadeMir Preparatory Academy will comply with Florida's charter school legislation, F.S. 1002.33(10) (e), which rules that schools may give enrollment preference to specific student populations, including the following:
